# Lose the Keys. Find Key West.

Key West is all about living life to the fullest, and we're here to help you do just that. We know that the best way to get around our little island is on two wheels or two feet. So forget about the traffic and parking, and take a little time to appreciate the beauty at every turn. Soak up some sun, or kick back and watch it set.

Wherever you're headed, you can get there easily on foot, bike, or by hitching a free ride on one of the new **Duval Loop buses**. If you do find yourself behind the wheel, please remember to share the road. And slow down - this ain't the mainland.

## **Tips for Biking in Key West**

Bikes are considered vehicles and must obey all traffic regulations.

Always use a light at night.

Never ride the wrong way down a **one-way street**.

Always ride on the right side of the street with traffic - never against traffic.

Always lock your bicycle. Even for a few minutes.

Bicycles are allowed on sidewalks, except on Duval Street, but remember to always yield to pedestrians.

Use hand signals in front of cars to let them know your actions. Use a bell or provide audible warnings when passing others.

### Be Aware of the 3' **Door Zone**

When driving a car in Key West, appreciate the vulnerability of people walking and biking. Slow down - this ain't the mainland. Know that bikes can use the full lane. Always provide 3-feet when passing.

Runs every 30 minutes 6 am to 10 am and every 15 minutes 10 am to midnight.

In-Season: (December through April) 7 days per week. Off-Season: (May through November) Thursday-Sunday.
